What can we do for you?

Our mainstream service is to act on your behalf for the purpose of arranging and advising on the following:

- **Investments & Pensions, for example an ISA or Personal Pension Plan;**
- **Personal & Family Protection, for example a Life Assurance or Critical Illness Plan;**
- **Mortgages, including Buy-to Let;**
- **Releasing equity from your home (Equity Release);**
- **General Insurance, for example Buildings, Contents or Private Medical.**

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs and objectives to determine if these services are suitable for you. We will then undertake research in order to provide a personal recommendation(s) and related information relevant to your individual circumstances. If, after due consideration you would like to accept any or all of our recommendation(s), we will then implement them and arrange any products and/or related services on your behalf.

Once your financial plans are in place it is important to keep them under review. Subject to the type of services you require from us, we can continue to act on your behalf through one of our service packages. Alternatively, for those who prefer a more transactional or ad-hoc 'pay as you go' service, we are also happy to provide our services as and

when you need them. Ultimately, whichever type or level of service you require from us we will act in your best interests at all times.

Further details about these and other related services we provide are contained in the pages below. This also confirms the typical cost of our services and how we get paid for them.

IMPORTANT INFORMATION

Before you consider our services in more detail we would like to draw your attention to the following important information:

When we have discussed and agreed with you the services that we are to provide we will confirm this to you in a Client Agreement. This will describe the scope and specific services to be provided including any on-going services, the cost and how it can be paid for. A copy of our standard Client Agreement is available on request.

Under the terms of Financial Conduct Authority (FCA) regulations we will classify you as a retail client for investment and pensions business. As a retail client you have the right to request re-classification as an elective professional client. This may be generally or in respect of a particular service, type of transaction or product, and is subject to the following:

- All requests for re-classification must be made in writing;
- We will consider such requests on a case by case basis against the criteria set out in FCA rules.
- We will confirm the scope of any re-categorisation along with the consumer protections you will lose as a result.
- You must keep us informed of any change to your circumstances that could affect your classification

We will not advise you if you are experiencing difficulties managing debts. Free help and advice about managing your debts is available by contacting the Money and Pensions Service via its website:

INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and retirement objectives. We provide independent advice, which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):
 - Open Ended Investment Company Funds (OEICs) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;
 - Personal Pensions, Stakeholder Pensions, Self-Invested Personal Pensions (SIPPs) and Annuities;
 - Insurance Based Investments, including Capital Investment Bonds and Endowments;
 - Structured Capital at Risk Products (SCARPS) and Structured Deposits;
 - Certain Specialist Investments suitable for retail clients, including Venture Capital Trust (VCT) Investments and Enterprise Investment Schemes.
2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the market place.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS).

We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We may recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash deposits, National Savings & Investment Products (NS & I), or Inheritance Tax Planning (IHT).

What can you expect to pay for our investment and pension advice?

A description of our initial and ongoing services, their associated costs and payment terms, is provided below.

The amount we charge and the basis of the payment will depend on the service you choose and your individual circumstances.

We will discuss your payment options with you and answer any questions that you may have. We will let you know if you have to pay VAT on the cost of our service.

It is possible that other costs, including taxes related to the business we conduct and products we arrange for you, may arise. These costs will not be paid by our firm but borne by you.

Our typical fees for advice and arranging an investment or pension on your behalf are set out below. Where hourly rates are stated, these are the actual hourly rates that will apply. There is an additional charge should you purchase one of our on-going service packages. The typical cost of our ongoing services and what they include is also set out below. You can cancel our on-going services at any time.

Initial Advice Services

For all new clients we offer a first meeting of up to 1 hour free of charge. The purpose of this meeting is to discuss your needs and our services. We usually conduct this meeting at our offices but are happy to discuss matters with you over the phone, at a mutually convenient time.

Service	Initial Charge
<p>A holistic review of your existing protection, pension and Investment plans summarised in a financial report.</p> <p>This would involve reviewing the suitability of your existing plans, including charges and whether the plan matches your current requirements.</p>	<p>Our typical fee will be <u>£1,500 (exc. VAT)</u>.</p> <p>If this report recommends making changes to your investments or pension arrangements, any fees charged from the sections shown below will be offset against this report fee.</p>
Service	Initial Charge

Advice on the merits of a potential transfer from an Occupational Defined Benefit Pension Scheme or a Money Purchase Scheme with Safeguarded Income Benefits ('Pension Transfer Advice').

3% of the first £150,000 plus 1% of the balance of your

Cash Equivalent Transfer Value (CETV) under consideration in our written recommendation/suitability report, subject to a minimum fee of £5,000. The recommendation may be to either remain in the scheme or transfer away but the fee will be the same regardless of the outcome. It must be paid by you directly when you have agreed you want to proceed with transfer advice and signed a client agreement.

For example if your CETV was £50,000 your adviser charge would be £5,000(exc. VAT). This is because the minimum fee would apply.

If your CETV was £300,000 your adviser charge would be

£6,000 (exc. VAT). (4500 + 1500)

If your CETV was £600,000 your adviser charge would be

£9,000 (exc. VAT). (4500+4500)

If we recommend transferring and you act on that advice, we will not charge any additional sums for:

- Recommending a suitable pension arrangement to receive the transfer value.
- An initial recommendation of one or more investment funds/options into which the transfer value should be invested in the recommended receiving scheme (fees may be payable for future advice on investments in such a pension arrangement).

Important Notes

1. In very limited circumstances, we may agree to charge a reduced fee (or no fee) where our recommendation is not to transfer and where we do not go on to arrange a transfer for you.
2. The circumstances in which we are permitted to make this exception are specified by the Financial Conduct Authority (FCA).
3. If this exception applies to you, full details will be confirmed in our Client Agreement.
4. In these circumstances it may be possible for the agreed fee to be facilitated by the product provider.

<p>Abridged Advice on the merits of a potential transfer from an Occupational Defined Benefit Pension Scheme or a Money Purchase Scheme with Safeguarded Income Benefits ('Pension Transfer Advice').</p>	<p>For completing a fact find, undertaking research on your behalf and providing you with a recommendation based on an Abridged Advice Process, we typically charge a fee of £1,500 (exc. VAT).</p> <p>The outcome of this Abridged Advice Process will either be inconclusive or a recommendation not to transfer. As this process by definition cannot result in a transfer taking place the aforementioned fee must be paid by you directly</p> <p>If, as a result of this Abridged Advice Process, you proceed to a full advice process as documented in the next section the fee for the Full Advice will be discounted by the amount paid for the Abridged Advice.</p> <p>Please note that Abridged Advice will not include an Appropriate Pension Transfer Analysis (APTA) or a Transfer Value Comparator (TVC).</p>
<p>Where to put your savings / investments / pension investment.</p>	<p>3% of the first £150,000 you invest plus 1% of the balance you invest, if you go ahead with our recommendations.</p> <p>For example if you invest £50,000 your adviser charge would be <u>£1,500 (exc. VAT)</u>.</p> <p>If you invest £300,000 your adviser charge would be <u>£6,000 (exc. VAT)</u>. (4500 + 1500)</p> <p>If you invest £600,000 your adviser charge would be <u>£9,000 (exc. VAT)</u>. (4500+4500)</p>
<p>Where to save your money on a regular basis.</p>	<p>30% of the first year's premium if you go ahead with our recommendation</p> <p>For example if you invest £300 per month (£3,600 per annum) your adviser charge would be <u>£1,080 (exc. VAT)</u>.</p>

On-Going Advice and Review Services

We offer an ongoing service package as follows. We will recommend this service if we consider to be suitable for your needs. Once you have purchased an on-going service package you may cancel it at any time, without charge, by writing to us at the above address.

Ongoing Service	Ongoing charge for periodic reviews and servicing work
<p>Pensions, Savings & Investments –</p> <p>The on-going service will provide annual reviews or more frequently where required and this will be covered in your Individual client agreement.</p> <p>It will typically include a review of tax efficiency of investments, quarterly newsletters, telephone access to advice if required and implementation of fund switches and changes to asset allocation (where applicable). It may also include cash flow modelling where required.</p>	<p>Service available for 1% of the value of your Investment portfolio per year.</p> <p>For example, if your investment is worth £100,000 your Adviser Charge would be £1,000 (exc. VAT).</p> <p>The exact amount we charge each year will depend on the value of your investment and will increase if the value of your portfolio goes up.</p>

What are your payment options?

- We accept direct payment by cheque or bank transfer.
- We do not accept cash or credit cards.
- We will tell you if it is possible to settle our fees through a deduction from your investment/pension.
- For new investments and pension plans funded by regular contributions only, you can choose to pay our fees by instalments.
- We will allow you to settle our fee in up to 4 monthly instalments over a maximum term of 4 months.
- If you choose this option we will not provide you with any further services until all the instalments have been paid in full.
- If you choose to pay instalments as a deduction from your investment/pension, although you pay us nothing up front this does not mean our service is free. You are still paying us indirectly through deductions from the amount you pay into the product.
- These deductions will go towards settling our fee and will reduce the amount left for investment. An example of how this payment plan works in practice is set out below.

Example

You choose to accept our recommendation to invest **£300 per month** into an investment product. Our fee for advice and arranging this on your behalf is **£1080**. You choose to settle our fee in 4 equal monthly instalments deducted from your first 4 monthly contributions to the product, as follows:

<u>Investment Frequency</u>	<u>Contribution Amount</u>	<u>Fee Deduction</u>	<u>Amount Invested</u>
Month 1	£300	£270	£30
Month 2	£300	£270	£30
Month 3	£300	£270	£30
Month 4	£300	£270	£30
Month 5+	£300	N/A	£300

- You can also choose to pay the fee instalments due to us directly from your bank account by standing order. For example a fee of **£540** paid over 4 months would mean 4 monthly instalments of **£135** are collected from your bank account. Standing orders are normally collected on or around the **15th** day of the month.
- **Please note that if you cancel your investment or pension product before our fee is settled in full, including cancellation during a statutory cooling off period, you will need to make alternative arrangements to pay our fee.**

Other benefits we may receive

If we take over the servicing rights of your existing arrangements that were arranged by another firm, we may be entitled to receive an on-going payment as a result. This is commonly referred to as 'trail commission'. Where this is the case we will offset the amounts received against our on-going service fees. For example, if our on-going service fee is **£500** and we receive **£200** trail commission from existing arrangements retained as part of your portfolio, the net fee due to us would be **£300 (exc. VAT)**.

Some of the firms whose products we recommend provide us with access to training and software which allows us to offer you a better service. Some of the costs of these benefits may be passed onto you as part of the total charges you pay, should you choose to purchase a product from one of these firms. Further information regarding these arrangements is available on request.

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from investment product providers, for arranging investments.

Other Specialist Services

As part of the TenetConnect Limited Network of Financial Advisers we have access to support services and specialist expertise you would normally expect from a large organisation. Where it is in your best interest we may offer to refer you to another firm within the same Network for specialist services.

With your permission, the other firm may carry out research on our behalf or alternatively advise you directly. The total cost of this service, including our fees for any preparatory work the other firm relies on, will be no higher than our standard tariff of fees and charges stated above.

We have signed up to the Personal Finance Society's 'Pension Transfer Gold Standard'. The PFS is the professional body for the financial planning profession in the UK. Their remit is to lead the financial planning community towards higher levels of professionalism exhibited through technical knowledge, client service and ethical practice. In practical terms this is an adviser code of conduct that helps clients understand when advice is appropriate and ensures that if it is it supports their overall wellbeing in keeping with their stated objectives. It also ensures that clients understand and accept all the charges and costs associated with transferring their benefits and avoids conflicts of interest.

The Gold Standard embodies the culture of advisers who are passionate about their profession and dedicated to achieving the best possible outcomes for their clients.

Clients who are considering transferring their pension benefits will be provided with a copy of the 'Pension Transfer Gold Standard Consumer Guide' at the point when they confirm that this is one of their objectives.

INFORMATION ABOUT OUR MORTGAGE SERVICES

Whose products do we offer?

We offer a comprehensive range of mortgage products from across the market. We offer both first and second charge mortgages, but not deals that you can only obtain by going direct to a lender.

For those seeking to increase their existing borrowing, alternative finance options may be available and more appropriate for your needs. For example, a further advance from your existing lender or an unsecured loan (e.g. a personal loan). For those seeking a 'Retirement Interest Only Mortgage', a 'Lifetime Mortgage' may be available and more appropriate for your needs.

How much will you have to pay for our mortgage services?

A typical fee of £295 is payable for mortgage advice. The fee will be determined by the amount of work required to process your mortgage application. Our fee becomes payable when we provide you with our recommendation(s). If you choose to proceed with our recommendation and the mortgage goes ahead, we will also be paid commission from the lender for arranging the mortgage on your behalf.

The amount of commission we receive varies from lender to lender. Information about the range of commissions available to us from the mortgage products we recommend is available on request.

If you apply for a mortgage that does not go ahead, you will receive no refund.

You will receive a personalised illustration when considering a particular mortgage. This will highlight the key facts about the mortgage product, including any fees relating to it and the amount of any commission due to us from the mortgage lender.

The amount of commission we receive will vary depending on the type of contract, term of the cover and the premium amount.

We will tell you how much commission we expect to receive before we transact business for you. You will receive a quotation, which will tell you about any other fees relating to any particular insurance policy we arrange for you.

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from insurance product providers, for arranging insurance contracts on your behalf.

If you apply for a lifetime mortgage or home reversion plan that does not go ahead, you will receive no refund.

You will receive a personalised illustration when considering a particular equity release product which will tell you above any fees relating to it.

INFORMATION ABOUT OUR OTHER RELATED SERVICES

Non-Advised Services

We will tell you how we get paid and the amount before we carry out any business for you.

Credit Broking

We are also credit brokers. This means that if you require a loan other than a mortgage (for example, a personal loan), we can refer you to a specialist third party who can discuss your specific needs with you. We will not advise you on this type of borrowing and you will need to make up your own mind whether to go ahead or not.
